

2020 HOLIDAY FLYING FESTIVAL

Lakeland, Florida

December 04 - 05, 2020

AIRPORT CLOSURES

The airport is CLOSED except for commercial carriers with prior permission during the aerobatic demonstration Friday night from 1630-1830 EST (2130-2330 UTC) and Saturday from 1430-1630 EST (1930-2130 UTC).

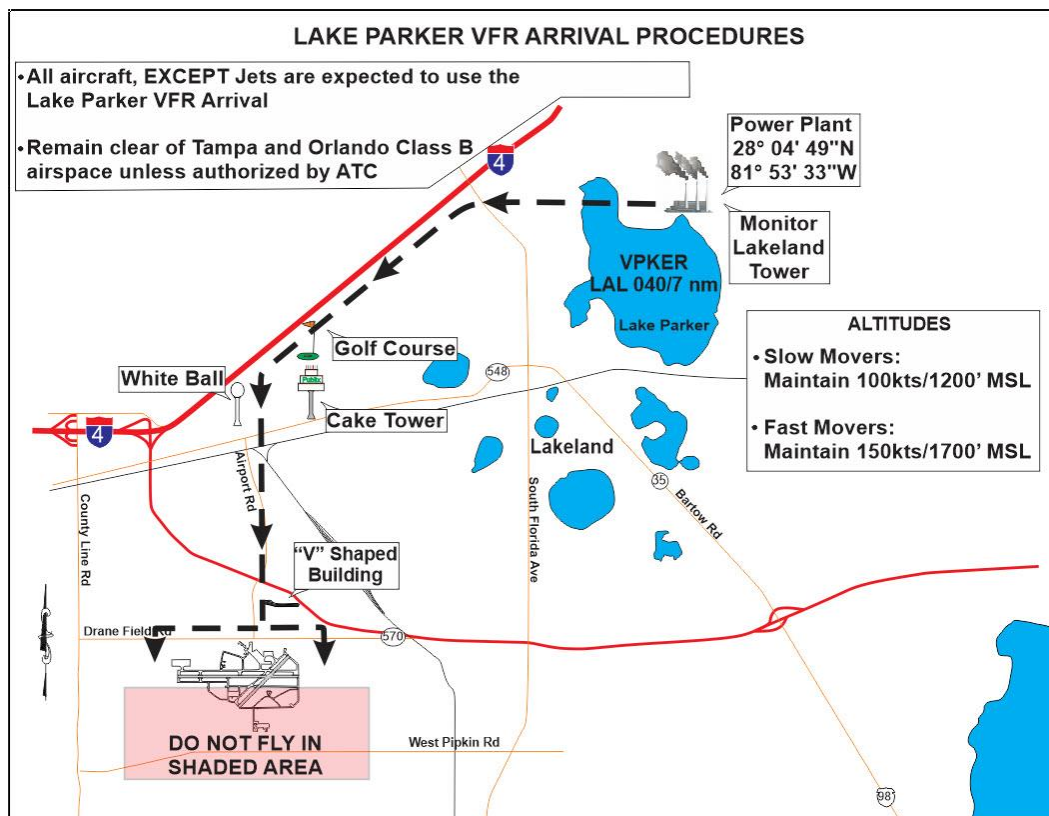

TEMPORARY FLIGHT RESTRICTION

Temporary flight restrictions (TFR) will be in effect during airshow aerial demonstrations. TFR information is disseminated via FDC NOTAM prior to the event. Once published, text and graphic depictions of restrictions may be found at:

<https://tfr.faa.gov/>

Note: Schedules are subject to change. Check NOTAMs (both D and FDC) frequently to ensure you have current information.

LAKE PARKER VFR ARRIVAL PROCEDURES

30 miles out: turn landing lights ON

Fly toward Lake Parker to approach from the North, Northeast, East, or Southeast.

20 miles out: Listen to Lakeland ATIS 118.025 for special information, then MONITOR Lakeland Tower 124.50.

Ensure landing lights are ON and landing gear is DOWN.

Fly westbound over the north shore of Lake Parker. The power plant smokestacks with white strobe lights are located at the north side of Lake Parker. Expect heavy air traffic in this area.

All aircraft maintain 100 knots at 1,200 feet MSL, approaching Lake Parker. Aircraft unable to safely slow to this speed should maintain 150 knots at 1,700 feet.

Contact Lakeland Tower 124.50 when over the Power Plant for clearance to proceed to the airport.

When cleared, remain in trail to the airport. No side-by-side.

From the north shore, depart the power plant flying westbound. You will see baseball fields to your south. Follow the road to the north of the baseball fields. Continue westbound.

Continue westbound approximately one-half nautical mile toward the intersection of Interstate I-4 and a four-lane road.

At the intersection of Interstate I-4 and the four-lane road turn southwest following Interstate I-4 approximately 3 nautical miles.

Turn southbound, keeping the golf course and cake tower to your east and the white water tower to your west. LAL is approximately 3.5 nautical miles south of you.

Fly southbound toward the large V-shaped building. The blue-roofed airport terminal building at LAL is directly south of the large V-shaped building.

LISTEN for ATC instructions.

Plan to turn downwind prior to the blue-roofed terminal building in the vicinity of Drane Field Road. You will either fly left traffic for RWY 9 or right traffic for RWY 27.

Do not deviate south of RWY 9/27 in the event of a go-around.

Do **NOT** land on the parallel TWY A (orange or green dots). This is a taxiway not a temporary runway for this event.

Do **NOT** stop on the runway. Listen for exit instructions from Lakeland Tower.

AIRCRAFT PARKING AREAS (HOLIDAY FLYING FESTIVAL PARTICIPANTS ONLY)

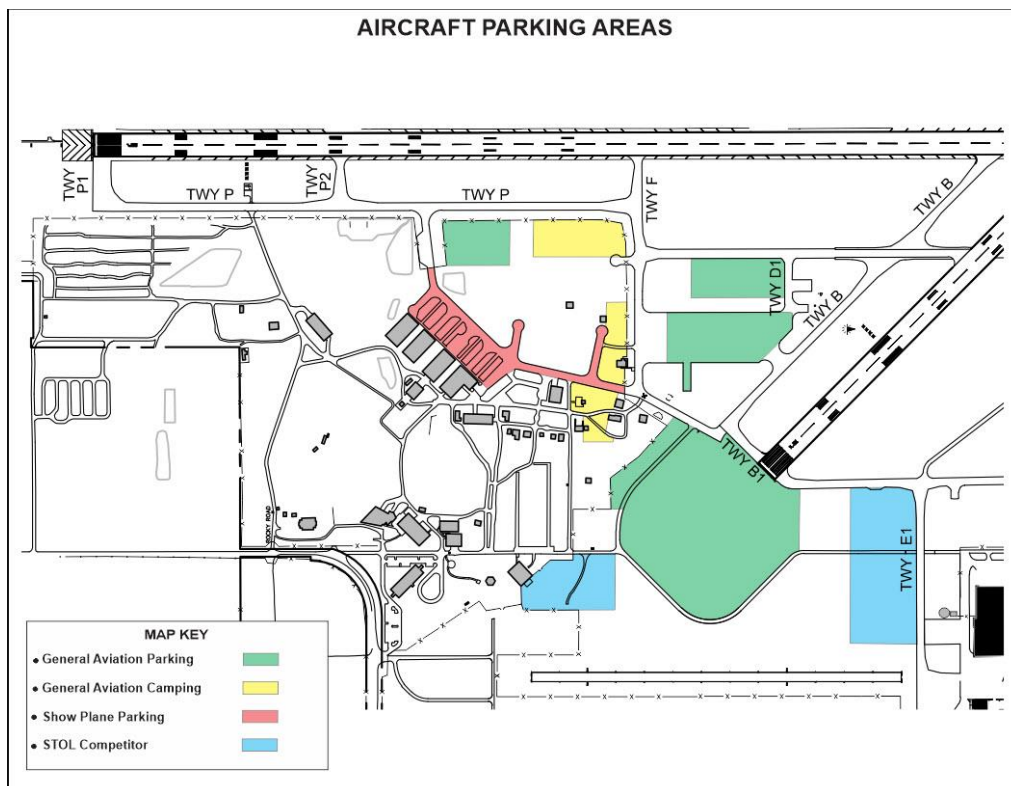

Please note, areas are subject to change, follow ATC and/or Festival personnel directions.

Pilots arriving to the HOLIDAY FLYING FESTIVAL should display a sign in the LEFT side of their windshield to designate their intended parking area. The sign should have LARGE dark letters readable from at least 50 feet. Computer or table signs are not acceptable.

ABBREVIATION	MEANING
EXH	Exhibitor (Prior Permission Required)
GAP	General Aviation Parking Area
GAC	General Aviation Camping Area
SHO	Show Plane Parking (Prior Permission Required)
STOL	STOL Competitor Parking (Prior Permission Required)

Do NOT leave your aircraft until you have reached your final parking spot and have tied your aircraft down.

Select Guard 121.50 prior to radio shutdown to detect inadvertent activation of ELT.

LAKELAND DEPARTURES
(AIRCRAFT TAXIING FROM THE HOLIDAY FLYING FESTIVAL ONLY)

If Lakeland Airport is IFR, taxi is prohibited without an IFR clearance.

Before taxiing, monitor Lakeland ATIS 118.025 for special information.

When ready to taxi, monitor Lakeland Ground 121.40 and follow other traffic to the advertised active runway.

Hold short of the runway and monitor Lakeland Tower 124.50.

When number one for departure contact Lakeland Tower on 124.50.

LAKELAND FREQUENCIES

TOWER	GROUND	ATIS	UNICOM
124.50 / 236.775	121.40	118.025	122.95
