## 2022 Sun N Fun Military Support Area Sponsor Request

48<sup>th</sup> Sun n Fun Aerospace Expo

April 5-10 2022

Lakeland Linder Airport, Lakeland Florida

Every spring, one of the largest aviation events in the world takes place in Lakeland, Florida. Events like these directly support and create a pathway to success through aviation for our youth. The success of our event lands squarely on the shoulders of the First Responders & Department of Defense (DoD) Service members volunteering to support our event with assets as performers and or static displays representing just how capable our nation is in the realm of Air and Space. Our organization consisting of 75+ volunteers, construct a Military Support Compound in the middle of the Sun N Fun event where the DoD members and accompanying families in attendance can congregate, eat, relax, and separate from the crowds. The 2021 event set record numbers in attendance and our teamed served 4500 meals to our deserving military members.

The compound transitions from an open field along a lonely airport taxiway to a deployment style Forward Operation Base (FOB) in less than 12 hours, striking a unique resemblance to a MASH style experience. Our team provides a limited access Rest & Relaxation area utilized by the First Responders & DoD members and Families in attendance for the Sun n Fun event for the entirety of the event as either a performer or static display aircraft. The team continually ensures the hospitality provided to our Service Men & Woman is commensurate the their level of dedication to Serving our Country.

We're asking for individuals/organizations to consider supporting our efforts with sponsorships of our Military Support Compound with either monetary or supplies donation. This assists our team in purchasing food, supplies, and equipment which directly supports us providing our First Responders/DoD members and families the hospitality they deserve. Our goal is to raise enough support that directly contributes to their experience at Sun n Fun Event being memorable and relaxing. Please consider being a sponsor of the Military Hospitality Compound, and help us "Serve those that Serve".

Thank you for your time, if you'd like additional details on how best to support our event, please contact Chairwoman Shelly Blessing at [shelly@milsupportusa.com](mailto:shelly@milsupportusa.com) or via cell (309) 275-4132. Below are the easy steps to directly contribute to our cause using the Sun N Fun donation web page <https://flsynf.org/support-the-mission/donate/>.
