

Showcase Participants Technical Evaluation Form Process

As part of your participation in the 2022 SUN 'n FUN AEROSPACE EXPO Showcase Events, you will be required to complete a technical evaluation that meets the Federal Aviation Administrative 8900.1 Volume 3, Chapter 6, Section 1. For the 2022 SUN 'n FUN AEROSPACE EXPO event, this will include providing pilot and aircraft data. Please be prepared to complete documentation ahead of arrival or in coordination with a Technical Inspector Representative at the event. Regardless of if documentation is filled out in advance of the event, the Technical Inspector Representative will need to see all relevant pilot and aircraft documentation — there is no exception to this rule. In addition, a copy of aircraft inspections that are part of your aircraft log book, or completion of the attached Aircraft Status and Inspection Form will be accepted to confirm aircraft status.

Please see below checklist of required documents, which may vary by individual participant.

- Pilot Certificate
- Government Photo I.D.
- Medical
- Date of Flight Review or Check Ride
- Completed Aircraft Status and Inspection Form (Preferred Method)
or Log Book Aircraft Inspections of the below items
 - Annual/100 Hour/Progressive/Condition
 - Altimeter/Static
 - Transponder
 - ELT
 - Recurring Airworthiness Directives Status
- Current Registration Certificate
- Airworthiness Certificate
- Program Letter (*Only Required for Experimental Exhibition*)
- Operating Limitations
- Parachute Repack Date (*If Required*)

This information is being provided to ensure you are informed prior to arrival at this year's event. Thank you in advance for your participation and for your attention to this required process. If you have any immediate questions or concerns, please feel free to reach out ahead of your arrival to SUN 'n FUN AEROSPACE EXPO via email at airshowsafetyssf@gmail.com.

Respectfully,

Bill Wheeler

Chairman, Airshow Safety, airshowsafetyssf@gmail.com
