

Exhibitor Credential Procedures

Proceed to the exhibitor parking lot check-in building to pick up your credentials. (map on the next page). Upon arriving, please provide the exhibit team with your company name (or if you have multiple companies with booths) so they can provide you with all your credentials. ***Only one person is required to pick up the exhibit packet for your team.***

Make sure to put your phone number on your parking pass

Please also let the team know if you are a SPONSOR so they may distribute the additional packets to you.

If you have not submitted the Mandatory General Liability Insurance or a check in form, **you will not be able to pick up your credentials until this has been completed!!!**

Please log into the exhibit portal here to verify you have completed all items:

I.T. INFORMATION FOR EXHIBITORS

Help Desk Phone Number:
1-866-4FLYSNF (1-866-435-9763)

Help Desk Email: snfsupport@db-federal.com

Help Desk Location: **Skylight Hangar A Office**

Our limited **SNF-Guest** (password: **WelcomeToSNF!**) is available for exhibitor use. We also offer premium, higher bandwidth wired and wireless access to exhibitors. If you have already purchased Premium Internet Service, one of our white glove IT technicians should be greeting you as you arrive on campus to get you setup. You can also email, call, or visit our Help Desk for help getting connected or to check if premium service is available at your location for purchase.

Temporary Worker Permits

If you have small crews needing access to your booth to drop off or set up, please make sure they stop by the Exhibit Check-In building and pick up either a commercial exhibit (B) parking pass or a light plane exhibit (D) parking pass as well as a temporary work badge.

Offsite Storage Form

TRAILER / STORAGE LOCATION – Exhibitors needing to store large trucks or trailers **offsite** during the expo must fill out a request form prior to your arrival in order to provide you with a dedicated storage vehicle pass. Passes must be visible on the vehicle at all times and are required to park in a designated space in Lot 2-S. Vehicle storage parking location can be found on the exhibitor parking lot map. The storage passes will be distributed in a clear plastic sleeve with a zip tie that you must affix to your trailer.

You do not need to fill out a storage form if you are parking your trailer in your booth.

Please click here – [Storage Trailer Request Form](#)

Flying In

Pilots are responsible for checking the [NOTAM Page](#) for air traffic information and arrival/departure procedures. Aircraft signs are required on the LEFT side of the windshield so that ATC and Ground Operations can guide you to your designated area. Signs must remain visible until aircraft are parked or after departing LAL. If you are an exhibitor in any areas below, your signs should read: Paradise City (X-PC) – Core Area (X-CR) – Future 'n Flight (FFX)
