

SUN 'n FUN

AEROSPACE EXPO

COME EXHIBIT WITH US

The aviation market comes alive each spring at the SUN 'n FUN Aerospace Expo in Lakeland, Florida! After a long winter in some parts of the country, visitors look forward to seeing the latest in aviation products, aircraft and services on display in our four indoor exhibit buildings and many outdoor spaces. More importantly, they come to buy!

FREQUENTLY ASKED QUESTIONS

When and where is the SUN 'n FUN Aerospace Expo?

Tuesday through Sunday, April 14–19, 2026
4075 James C. Ray Dr, Lakeland, FL 33811

Who exhibits?

SUN 'n FUN Aerospace Expo is one of the largest airshows in the country and attracts over 210K aviation enthusiasts each year! 550+ exhibitors have the opportunity to connect with other pilots, mechanics, aerospace business professionals, flight schools, aircraft manufacturers, airlines, aviation companies and more.

Priority is given to aviation-related exhibitors in order to maintain the focus of the event and attract a highly interested, motivated audience to do business with our exhibitors. A number of non-aviation companies are accommodated on a space-available basis later in the process.

How can I apply for an exhibit space?

If your company has never exhibited at SUN 'n FUN, please submit an exhibit space application via the following link:
<https://flysnf.org/exhibitors/why-exhibit/#exhapp>

When does registration open and booth placement begin?

July	Existing exhibitors will receive an invite to return.
October	Change request from existing exhibitors will be fulfilled. Place new exhibitors from waiting list.
January	New non-aviation companies are placed on a space-available basis.

When are contract/payment deadlines?

Returning exhibitors: September 15, 2025
New Exhibitors: September 16–March 31, 2025–2026

What is the cancellation policy?

All cancellation requests must be made in writing to againes@flysnf.org. Requests to cancel or downsize exhibit space may incur a cancellation fee based on the request date.
